WHY CHALLENGER DESIGNS?

- Each product is crafted from high-quality powder-coated aluminum that won't warp, even in direct sun or cold conditions.

- The only outdoor kitchen with standard, weather-resistant sealed doors and drawers that keep belongings protected from the elements.

- Cabinets come fully assembled or with minimal assembly required and are quick to install.

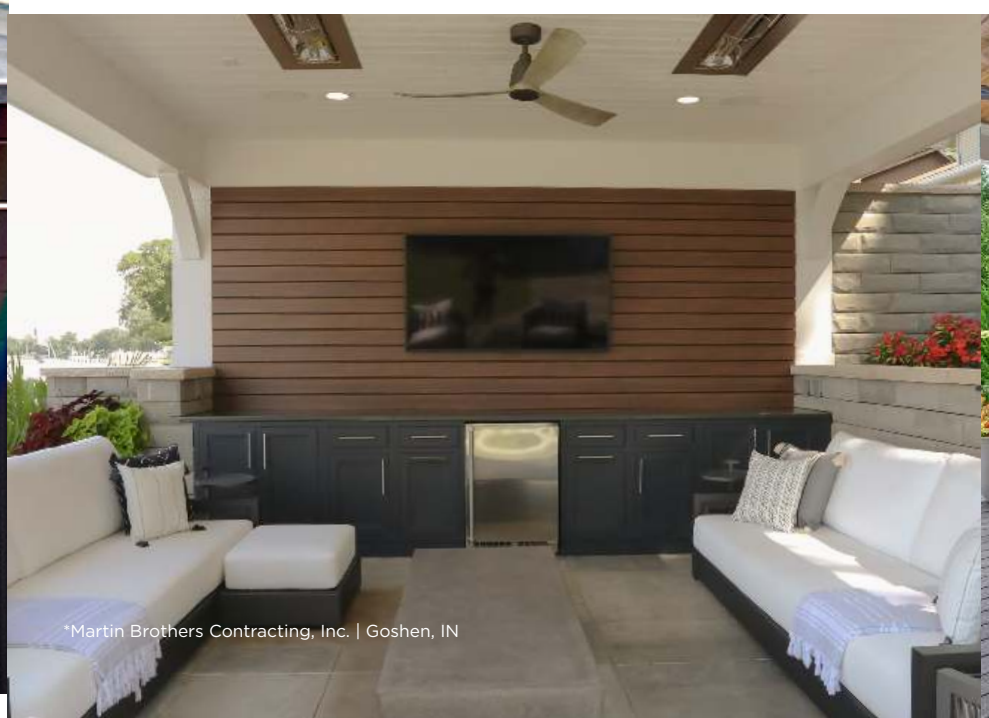

- Each grill, refrigerator or sink cabinet is built according to the appliance manufacturer's specifications to ensure a perfect fit, every time.

- All products are available with our high-quality aluminum or stainless steel countertops or can be built to support any countertop material you source.

- In-house designers to create the perfect layout for you.

- Built from start to finish in the USA.

- Limited lifetime warranty.

GRILL CARTS

Our most robust grill cart, the Torch, features weather-resistant sealed storage so you can store all your grilling equipment from charcoal to spatulas and plates. Available in various sizes to fit small to extra-large kamado ceramic grills from different manufacturers, the Torch is the premier grill cart on the market.

Open or Closed? Two Functional Styles.

House your ceramic kamado grill in one of our eleven grill cart models. Choose from the open storage Spark line or the Torch line with enclosed storage. There is sure to be a configuration and price point to suit your needs.

Your entertainment centerpiece has arrived. The Coastal Collection islands house a gas grill, kamado grill or both and can be configured with sinks and room for a built-in refrigerator. Accommodates most gas grills 32” or smaller. Coastal kitchens come fully assembled with the countertop included*, so you can start entertaining as soon as it arrives.

14 UNIQUE LAYOUTS TO CHOOSE FROM!

*Coastal islands also available without countertop for you to source your own.

THE COASTAL COLLECTION

ELEGANT OUTDOOR KITCHENS. NO ASSEMBLY REQUIRED.

THE CANYON COLLECTION

SEALED STORAGE FOR YOUR HARDSCAPED KITCHEN.

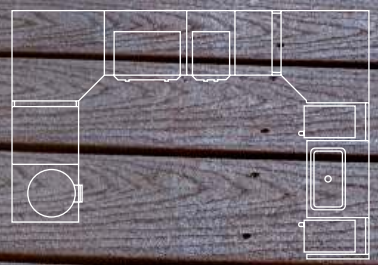

Love the look of stone or brick kitchens? The Canyon Collection is a series of sealed doors and drawers made to be built into a masonry kitchen. The cabinets' powder-coated finishes are designed to flawlessly match your home's exterior while providing high functionality. Mix and match 13 styles of cabinets and drawers to create the perfect setup.
